

2026 Manufacturer's Golf Outing

Supporting Skilled Trades in NW Ohio and SE Michigan

The Manufacturer's Golf Outing, Supporting Skilled Trades in Northwest Ohio and Southeast Michigan will take place on Friday, September 12th, 2026, at Bedford Hills Golf Club. We anticipate a full course with proceeds going to local career tech programs.

Grab the top golfers on your management team and/or leaders in your shop and bring them out to the course. This is a great opportunity to get out with your team, relax, hit some balls, and have some fun. It is also a great opportunity to network with other area manufacturers and leaders. It will be a 4-person scramble. The cost to golf this year will be \$100 per player or \$400 per team. The entry fee will include a hotdog, chips, and drink for lunch, a beer/beverage ticket and a burgers/brats dinner afterwards, as well as some prizes. If you do not have a team, but still want to play, we will do our best to find you a team. Mulligans will be included and there will be a 50/50 raffle.
